

The speed trailer was purchased utilizing donated funds. Its use is part of our overall strategy to reduce the number and severity of traffic crashes in our community. Although the trailer is strategically placed in the community to mostly benefit high traffic areas, you may request its placement in your area by calling the police department at 425-6336 or emailing Sgt. Sam Seamans at sseamans@mtnhomepolice.com.

We salute the following businesses for their contribution to the program by going above and beyond in supporting police services in our community.
